

WHAT HAPPENS AT

Seniors should bring these items to the screening

NRIC

Pioneer Generation (PG) Card

Community Health Assistance Schemes (CHAS) card and/or

Valid Public Assistance card

Existing pair of spectacles, hearing aids and dentures

- No fasting needed
- Screening takes about 45 minutes to complete

REGISTRATION

Upon registration, a queue number would be issued.

SCREENING

Senior will be screened for

1 Eyesight

2 Oral Health

3 Hearing

COLLECTING RESULTS

Staff will share the results with the senior after the screening.

Seniors who need extra care will be contacted for a follow up appointment.

On top of existing government subsidies* for eligible seniors, seniors who require functional aids will receive an additional \$15, \$200 and \$200 to offset the cost of spectacles, a set of full dentures and a pair of hearing aids, respectively.

**Senior's Mobility and Enabling Fund or Community Health Assist Schemes*

Staying healthy can be so simple!

Singaporeans 60 years and above who have not been screened in the past year are encouraged to go for Project Silver Screen.

Call Singapore Silver Line at **1800-650-6060** to sign-up now!
